Dynamic Team

What is the most enjoyable part of your job?

Helping clients succeed

What makes you unique:

My capacity to get things done.
My ability to understand client needs.
My ease with building relationships.

When not at Keogh I like Travelling, cooking, dancing, walking my dog, supporting my family in growth & development, spending time with friends.

Dead or alive, who would you like to meet? What is the one question you would ask them? My paternal grandfather. I would have many questions.

Who or what inspires you and why? My sons. Their capacity for self development, and push to succeed with tenacity and resilience.
